Dear Sir,

Many thanks for your kind invitation for your revered father's eighty-first birth-day celebration which comes off on the 6th instant. || He is one of the few sons of India that has made himself immortal by his extremely valuable contributions to the Tamil literature and it is hard for lovers of Tamil to forget him. I had the pleasure of knowing him personally only recently when he came to Coimbatore though I knew him well enough all these years through his works. The world of scholars owe a deep debt of gratitude ~~fxr~~ to him for his depth of knowledge, wealth of learning and majesty of thought and expression. || I extremely rejoice at the coming celebration and I sincerely pray that your father may be spared with vigour to witness many more birthdays.

May I earnestly rquest you to convey to him my respects and devotion and to explain my feelings
